Attached you will find the membership packet for the 2020/2021 season. We will be using the NHSRA online membership program again this year. The only 2 forms that will need to be done online (unless you are transferring in from another state) are the Membership Application and Minors Release. You can also find the transfer form online as well. Go to [nhsra.com](http://nhsra.com) and click on Member Login (right hand side of screen) to get started.

There are 3 different methods for getting to your NHSRA profile:

1. Renewing members that have logged in to your profile already;
2. Renewing members that have never logged in; and,
3. Totally new members

If you have never logged in but are a renewing member, you already have an account (profile) set up. Please do not try to create a new account!! I have attached instructions that should help walk you through any of these 3 ways. If you were a junior high member last year and are moving up to high school, you will still have an account set up!!! Please use the Membership Year of 2020 when signing up.

Once you are in your account (profile), you will need to:

1. Pay NHSRA dues online (\$124 plus \$8.37 transaction fee); and,
2. Print out the membership application and minor's release, execute them and then upload them back to your account.

There are several different format types that the system will take. **PLEASE MAKE SURE TO SIGN EVERYWHERE INDICATED AND PLEASE MAKE SURE THE NOTARY ACKNOWLEDGES (WRITES IN) ALL NAMES ON THE NOTARY LINE!!!!** Once you have uploaded the executed documents back to your profile, filled in all pertinent information in your profile, you will hit Save and then Submit to District Secretary. (Programmers name it districts instead of regions.)

You will mail all other pertinent Texas forms contained in the attached packet back to me along with the full membership dues of \$171.00.

Please use the checklist provided to make sure you are sending everything needed for membership.

I will be using the Remind101 app to send messages throughout the season. Instructions on how to sign up are enclosed. Please join so you will stay up to date on all region news!! If you qualified for state this past season, you are already part of the group.

I know there will be lots of questions so I am here to help you all!!! Please note that August 17<sup>th</sup> is the postmark deadline for the 1<sup>st</sup> rodeo. I would prefer the membership documents be sent back at the same time if possible!!! And would like separate checks for entry fees & membership dues!!!

REGION V SECRETARY
